

We Collaborate!

1. One person talks at a time.

Be respectful and don't interrupt.

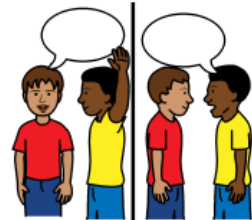

2. Listen to other ideas.

- Keep your mouth quiet
- Keep your eyes on the person talking
- Keep your body still (lips, arms, and legs)

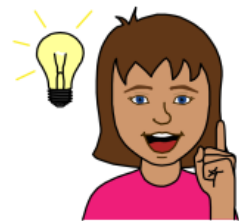

3. Take turns. If you want to have a turn...

- Raise your hand and wait
- Be ready to give someone else a turn

4. Offer Help

- I have an idea. Can I show you?

5. Ask for Help

- I need help. Will you help me?
